Environmental Policy Statement

In particular, Central HydroVac Ltd. is committed to:

- Securing compliance with all applicable environmental laws and regulations.
- Adopting practices which minimize any adverse environmental impact and aim to achieve a high standard of environmental care.
- Including environmental consideration in our business planning and investment strategies to ensure that environmental management is fully integrated into the business.
- Providing employees and customers with relevant information about the environmental impacts of our services, and ensuring that suppliers and contractors are aware of our environmental policy and are encouraged to apply a comparable standard of environmental care.

This policy will be communicated to all employees and made publicly available upon request.
